

# Home for sale!

A beautiful home in a friendly neighborhood

3 Bedroom and 2 Bathrooms

\$274,900

Lot 5 Nylon Boulevard

Enjoy the convenience of in-town living on an oversized lot. This upgraded home features 1,460 sq. ft. of single story living space, making it a perfect home for young families, or even retirees. Some of the features include hardwood floors, tile floors, granite countertops and maintenance free exterior materials. This home also has a front porch, perfect for a morning read, and a back deck that is ideal for grilling and relaxing. The master suite offers an oversized master bathroom, a walk-in closet with wooden shelving, and a vaulted ceiling in the bedroom. The kitchen, breakfast, and family rooms offer great spaces to entertain or relax after a long day at work. Double crown molding, panel moldings, and oversized trim make this home a showpiece.

This home is truly a must see! Please contact Griffin Home Builders, Inc. to schedule a walk through. Also, visit our website to learn more about us, and to view other projects in the area that we are currently working on.
